### Promotion for BP Plus users

BP Australia has launched its latest promotion: Free Fuel and Flights!

All BP customers who make a purchase of \$10 or more are eligible to receive a game card that could win them instant fuel discounts, with a second chance draw for free flights to their choice of Australian destinations.

As valued customers, BP Plus drivers can also participate — however, should they win one of the instant fuel prizes of \$2, \$5, \$10, or \$20, they have the option of redeeming their winnings in cash. They are also eligible to win the free flights.

## Letter to the Editor

When I placed advertisements in *Balance* for solicitors who were interested in joining an Australia-wide franchising network of Win Win Mediation, I hoped to attract between one and three responses. To date I have received no response.

A practitioner in your Territory has suggested that I write to you. The plan of the franchise idea is to establish a franchise network throughout Australia with one to three franchisees in each state and territory, then to market mediation Australia-wide with a successful marketing company.

I would be most happy to hear from anyone who is interested. I can be reached on (03) 608 7999.

Raymond Johnstone,  
Melbourne.

## Investigation training

The Internal Investigation Section of the Australian Taxation Office will run several Forensic Document Examination Courses and Computer Crime Investigation Courses during this financial year.

While participants will be required to pay for their own travel to Canberra and their accommodation costs, an allocation of funds from the Commonwealth Confiscated Assets Trust Fund has enabled the department to provide the course fees and some meals.

The following courses will be available: Forensic Document Examination Course: September 20-22; December 13-15; March 7-9; May 9-11. Computer Crime Investigation Course: October 10-14; December 5-9; February 6-10; June 5-9. Advanced Computer Crime Investigation Course: November 14-18.

The Advanced Computer Crime course in November will be offered by invitation, principally to those who have already completed the standard course. Others will be considered on a case by case basis.

Brochures and nomination forms are available from The Law Society or by calling David Gledhill, Manager, Internal Investigation, on (06) 216 2226.
