

## MEMBER DISCOUNTS: USE THEM ... OR LOSE THEM!

Leading Territory businesses may withdraw from The Law Society's Member Services Discounts Package unless members start taking advantage of the excellent offers.

Recent discussions with many of our participating businesses have revealed that members are simply not taking advantage of the services that they requested.

Over the past two years, Law Society staff have spoken with practitioners and asked them continually what they want to see as part of this package.

In response to those discussions, the Member Services Discounts Package has expanded dramatically, with 30 successful Territory businesses now offering special rates and deals for Law Society members.

It would be a major setback for the Society if members' inactivity resulted in the loss of even one of the businesses which so kindly support it.

The present health list of participating companies in both Darwin and Alice Springs encompasses travel, accommodation, motoring, pool care, pharmaceutical needs, electrical goods, fashion, jewellery and gifts, duty free goods, wigs, robes and flags, healthy and beauty lines, liquor and even restaurants.

Specifically, they are:

**GENERAL** — Qantas - The Australian Airline; Avis Car Rental; BP Plus Fuelcard.

**DARWIN** — Bridge Autos Toyota; Darwin Hyundai; Darwin Mitsubishi; Independant Battery Distributors; Jeany's Liquor Stores; Maurie's Pool Shop; Centre Point Pharmacy; Chandlers; Jalan Jalan Tours & Travel; Calvi's City Fashion; Night Affaire; Pearse & Swan; Denim & Daks; Sterns; Beaufort Hotel; Downtown Duty Free; National Flags; Body Basics.

**ALICE SPRINGS** — Novita Gifts; Elmo's Pool Shop; Town House Pharmacy; Headlines; Miss Daisy's Restaurant; Murray Neck Electricworld; Swank Shoes; The Dressing Room; and Travelbaggers.

The Law Society constantly strives to increase and improve the Member Services Discounts Package as part of its continuing efforts to make membership more attractive to practitioners.

But this is only achievable if members make a commitment to use these services.

Contact The Law Society for a flyer detailing the offers of all participating companies.
