## Mock Trial Competition 1996

As in previous years, volunteer coaches and judges are needed for the Interschool Mock Trial Competition 1996. The competition, run jointly by the Department of Education and The Law Society, has always been well supported by the profession. The preliminary rounds begin March 6 1996. If you would like to be involved please contact the Law Society.

Volunteers for any of the events above are asked to call the Law Society on 815104

## Law Week 1996

Law Week 1996 will be held from 12-18 May and The Society needs your support.

In previous years volunteers have kindly donated time towards activities such as *Lawline*, (an off-air advice line with Darwin's Hot 100 radio station). It is likely that the activities for Law Week 1996 will follow a similar pattern to previous years. In addition next year practitioners will be encouraged to nominate one or more coordinators from each practice to act as mediators for national information on Law Week and to help coordinate local events. It is anticipated that the success of the event will be a useful marketing tool for firms who may wish to convert the numerous legal enquires coming from the public during that week into potential clients.

Firms are asked to forward nominations for coordinators to the Law Society

## NT Council of Law Reporting Inc.

### Reporters & Sub-Editors

The Northern Territory Council of Law Reporting Inc. is seeking expressions of interest from legal practitioners to act as reporters and sub-editors for the Northern Territory Law Reports.

Reporters are required to prepare casenotes and catchwords for judgments of the Supreme Court. Sub-editors are also required to check judgments for accuracy, style and content. Both positions are remunerated. Previous experience is not essential, but applicants must be able to meet strict deadlines.

Expressions of interest should be directed to:

**Mr Phil McKeiver**  
**Editor in Chief**

**Northern Territory Council of Law Reporting Incorporated**  
**GPO Box 2388**
