Parking - Supreme Court

The Office of Courts Administration, appreciating the difficulties experienced by practitioners and their staff in short term parking, advise that the one hour parking bays outside the Supreme Court are now designated as a Council parking area.

Appropriate signage has been displayed and any vehicle parking in the area for more than one hour may be issued with an infringement notice.

It is hoped that this change will free up the short term parking to enable it to be used as originally intended, to provide short term parking for clients of the court.
