the Northern Territory

Attention
all Family Lawyers

Recently a meeting was held at the NT Legal Aid Office in Darwin during which family Lawyers from Darwin, Katherine and Alice Springs discussed the formation of a Family Lawyers Association.

It was agreed that Stuart Barr, Janet Terry and Martin Carter from Darwin and Susan Gilmour from Katherine would do the initial work of getting the Association off the ground. An Alice Springs representative would be preferable as well.

If you would like to become a member of the Association, please contact the Family Lawyers Association representatives as listed below.

If you have any queries, suggestion or comments, please contact:

	Phone
Stuart Barr	8999 3000
Janet Terry	8941 1009
