

# NTYL SUNSET CRUISE

On Saturday 3 June 2000 the sun melted into Darwin Harbour and a cold dry season breeze enveloped 74 revellers on the top deck of the Seacat II as it cruised from Cullen Bay.

They were treated to a feast prepared by Australian Gourmet Wildfoods and a selection of beer, wine and soft music.

This was the first major social event for the NTYL calendar and thanks must be given to the hard-working members of the Committee, especially Michelle Fadelli, who mustered the partygoers for departure at the Ferry Terminal for the three hour cruise around Darwin harbour.

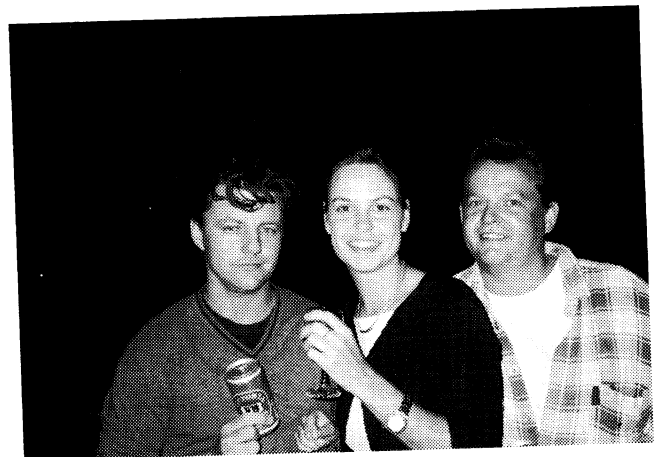

The catamaran cruised out from the terminal towards Mandorah and around to East Arm Port, making a short pitstop to collect extra supplies for the thirsty crowd at Stokes Hill Wharf before returning back to Cullen Bay.

Though it was a bit chilly on the water it was a great opportunity for NTYL members to spend a Saturday night meeting their fellow colleagues.
