SURVEY

In late May-early June 2004, several sections within Court Support Services distributed a survey seeking feedback on services provided. The survey for the library was distributed to a random selection of practitioners. If you received a survey but did not return it before the closing date, we urge you to do so as soon as possible so it can be incorporated in the results.

In addition to the survey, comments were sought on the services provided by the library and these are still welcome. Comments can be sent to the Librarian, Law Society representatives (Susan Porter/John Duguid) or to the NT Bar Association representative (Peter McNab).

Cassandra Tys back in the lead on 144, with Jodeen Carney, Julia Munster and Glen Dooley all sharing second place on 142, and Elizabeth Morris is third on 138.
