

Indigenous Mediation Showcase

Nearly 60 Indigenous mediation workers participated in an Indigenous Mediation Showcase presented by Darwin Family Pathways Network in April.

The two day workshop, 'Sharing Practices and Principles in Family Mediation', took place at the Darwin Botanic Gardens. Information regarding the systems of mediation used by organisations and communities in the Top End were showcased. Presenters included the Ngali Ngali Mitji Women's Reference Group, Tiwi Islands Youth Diversion Unit, the Community Justice Centre, Legal Aid and the Family Relationship Centre.
