To coincide with National Volunteer Week the Pro Bono Clearing House (PBCH) in conjunction with the Society hosted the Give Happy Live Happy: Celebrating the Society's Volunteers drinks during Law Week. The event was held to acknowledge the many hours legal practitioners donate to the Society through participation in various Law Society committees and pro bono work. President, Tass Liveris, presented a special prize to a dedicated volunteer of the Society's PBCH, Ms Rosemary Jacob. It was also a great opportunity for the Society to celebrate Rosemary graduating from Young Lawyer status! The PBCH would again like to thank all our volunteers who take the time to assess applications and offer their services to successful applicants. Their contribution helps ensure that everyone has the right access to justice.

Law Week Speaker Kon Karapanagiotidis OAM, Ms Rosemary Jacob, President Mr Tass Liveris and Pro Bono Clearing House Coordinator Lily North.
