## CYBER PRECEDENT

Strengthening the legal profession's defence against online threats

Cyber Precedent, a website launched by the Law Council of Australia, contains a wealth of resources for legal professionals, aiming to help protect confidential and sensitive data from cyber theft.

Anyone is at risk of having a data breach but taking precautions will minimise the risk. The website offers many tools and will help you to identify and understand the threats and what to do if you've been compromised.

Don't wait until it's too late! To learn more about protecting yourself, your workplace and your clients, please go to:
