

EDITORIAL NOTE

The Monash Law Review is happy to publish in this issue two articles by Professor Glasbeek and Mr Heffey which, together with the pieces by Professors Dworkin and Tunc in Volume 1 number 1 viz.: Intentionally Causing Economic Loss—*Beaudesert Shire Council v. Smith* Revisited (p. 4) and Unfair Competition—French and European Approaches (p.34), form the basis of a symposium on Economic Torts. The other two articles in this issue are “separate” pieces by two members of the Monash Faculty. In this issue we are also publishing a case commentary as well as case and legislative notes; and a book review article as well as other reviews.
