Information Retrieval Systems **FREE** for Librarians

Convince your Administration Manager to install **CAIRS**, **microCAIRS** or **MINISIS** to manage:

- Correspondence
- Policies and Procedures
- Committee Reports
- Mailing Lists
- WP Documents
- Records
- Board Minutes
- Insurance Policies
- Archives

You will then be able to automate your library catalogue and other library functions.

CAIRS, microCAIRS and MINISIS are powerful information retrieval systems being used for these applications, and in many special libraries. You too can benefit from the facilities they offer.
