## Top authors for Hobart

Newbury Medal winner, Susan Cooper, and top British writer, Jan Needle, have accepted invitations to address the Tenth National Conference of the Australian School Library Association.

The presence of such well-known children's authors is expected to create interest in the Conference among school librarians and classroom teachers alike.

ASLA X will be held at the Wrest Point Casino Convention Centre during 3-7 September 1987. The focus of the conference will be on the challenge of the future for school libraries. Participants will be brought up-to-date with the latest initiatives in technology and in meeting the changing needs of students.

Participants can look forward to an active time in the apple isle. Even the conference dinner will be a lively affair. A bush dance is planned for the historic village of Richmond. However, participants will be allowed to find some time to relax and enjoy the beauty of springtime in Hobart.

Registration forms are available from the ASLA X Conference Organiser: 351b Liverpool Street, Hobart, TAS, 7000.
