This BOOK is over due.

If you don't have 'BOOK', the fully computerised management system in your library, it's about time you did. Already over half the automated public libraries in Australia use 'BOOK' and don't know how they managed without it.

It's designed in Australia, proven, reliable and now even sold overseas. Depending on your size, there's even a choice of 'Mini BOOK', 'BOOK' or 'BOOK/38'.

So, if you want your library to service borrowers far more efficiently, isn't a call to Karen McAdam in Sydney (02) 437 5511, Greg Rowe in Melbourne (03) 690 4788, John Russell in Brisbane (07) 229 2522, Wolf Engel in Adelaide (08) 224 0100 or Bill Jarman in Perth (09) 481 7077 long overdue?
