

ALIA 1990 Conference update

Perth, Western Australia

30 September-5 October 1990

By now, you've received your second brochure and are planning to come. Contact Promaco Conventions regarding air fare packages, the post-Conference meeting proposal and other enquiries. Promaco have deals even your travel agents will find hard to match!

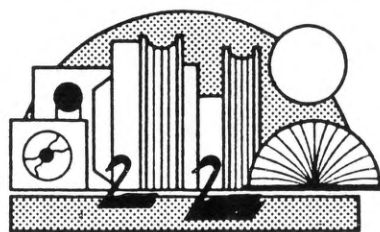

The Conference Committee is considering organising a post-conference meeting in Singapore to take advantage of competitive fare concessions. Expressions of interest are essential before proceeding with this option.

Perth has a range of excellent accommodation within a few minutes of the Conference venue, the Concert Hall, with rates from budget to five star. Air fare and accommodation packages will be available from all Australian capital cities, as are other air fare concessions.

Attractive packages have recently been negotiated for Conference delegates travelling on to Singapore, Hong Kong or Bangkok. All enquiries must be

made to our Conference Organisers, Promaco Conventions Pty Ltd. International delegates are eligible for travel concessions within Australia.
