FOUR LIBRARIANS REQUIRED (Permanent positions)

The UCCQ Library, at Rockhampton, is currently undergoing a dramatic period of expansion as part of its transition from a CAE to a University Library. We require FOUR enthusiastic librarians to join our dynamic team at the commencement of 1991.

Permanent positions are available in Technical Services, Administrative Services, Reference Services, Special Collections and a Liaison Librarian for the School of Education. Applicants with an education background will be preferred for the latter position.

All appointees must be eligible for professional membership of ALIA. Level of appointment for each position will be dependant on experience and expertise of the appointee. New graduates will be considered.

Rockhampton, with a population of approximately 60,000, is the major provincial centre of Central Queensland. About 650km north of Brisbane, it is only 30 minutes drive from the beautiful Capricorn Coast. Rockhampton enjoys a semi-tropical climate and a lifestyle to match.

If you want to leave the rat race for an interesting, challenging job, apply now!

Salary Range: Assistant Librarian II-I
\$27,062 to \$34,746
Librarian
\$34,532 - \$38,278

Enquiries: Ms Judith Edwards,
Chief Librarian
Ph: (079) 36 0435

or see Judith at the ALIA Conference

Closing date: 31 October 1990

Selection will be on merit and will take into account the University College of Central Queensland's Statement of Principles on Equal Opportunity in Education and Employment.

Written applications including a full curriculum vitae, certification of stated qualifications and the names, addresses and telephone numbers of three referees, must reach:

Personnel Officer,
University College of Central Queensland, Rockhampton M.C.,
Queensland 4702, no later than 31 October 1990.

C413/Mac

...continued from 17

STOP THIEVING!!

with Checkpoint's Library Security System

IT'S EFFECTIVE . . .

The CHECKPOINT Security System has a documented record of reducing book losses by an average of 80-90% and . . .

IT'S SIMPLE . . .

by far the most trim, least complicated of all existing systems to install, operate, and maintain. Protecting your collection is quick, easy and very economical.

IT'S RELIABLE . . .

no embarrassment due to false-alarms. An alarm means an attempted book theft. Excellent head-to-toe detection.

IT'S INEXPENSIVE . . .

we designed this system to be within the budget of every library or media centre.
