

The grand opening

The opening of ALIA House was a great day for the Association. We have tried through *inCite* to let those of you who couldn't share this day with us in Canberra capture a little of the excitement through the lens of our photographer, David Reid. Colour is a new departure for *inCite*, thanks to the generosity of our sponsors this souvenir issue reaches you at no extra cost. The black and white spread in *inCite* 8 was taken on 21 May; we moved in on 21 September (not June as expected) and had the final fit-out happening around our ears. Now it's finished, and we're proud to show it off. Call and see us — you're all welcome!
