

NOTE! Forged ILL vouchers

ALIA has learned that Interlibrary Loan Vouchers are being photocopied and used for payment of library copies and microfilm copies between libraries. Only the original voucher is 'legal tender' for interlibrary loans, and it must not be copied or disfigured in any way. It is the responsibility of the receiving library to check the voucher upon receipt. A photocopied voucher is of NO VALUE and will not be redeemed by ALIA.

For your financial security ensure that all vouchers are checked upon receipt. ■
