

Chancellor's medal for library technician

The 1994 Northern Territory University's Chancellor's medal has been won by Nina Cameron, an Associate Diploma of Library Practice graduate. Nina also received the ALIA (NT Branch) Medallion for excellence.

It's the second time the Chancellor's medal has been won by a Library Technician graduate.

Nina was presented with the ALIA Medallion at the School of Commerce, Tourism and Hospitality prize-giving ceremony. The Medallion is awarded yearly if there is an outstanding graduate.

Happiness: Chancellor Mrs Nan Giese presenting the ALIA medallion to Nina Cameron

Handbook

Publication of the Association's 1994 Handbook has been delayed as the National Office have been reviewing the Association's publications, including content and schedules.

A new publication schedule will ensure the Handbook is published at the end of each calendar year, reverting to the annual schedule that was Association practice until 1985.

Although the 1994 Handbook is not yet published the information to be contained in it is available from the National Office. If you require any specific information please contact us.
