

ALIA TAFE Section NSW Branch

The 1995 committee has launched the year with a successful function. Alan Pease, 'Mr Body Language', was the speaker.

The evening, organised by an energetic and committed TAFE team, was attended by TAFE librarians and teachers and a number of business people from the Western Sydney area.

The function, held at the Joan Sutherland Performing Arts Centre began with an informal get together over some wonderful food. (Did I overhear someone say, 'It was worth coming for the food!') The evening was opened by Les Stahl, (Assistant Director, Educational Planning and Properties, Western Sydney Institute of TAFE), who gave an excellent introduction to the audience. Alan had everybody entertained for with lots of laughter and audience participation. Throughout the evening the audience were given copies of his many books, while everyone who attended was

given a copy of his bestseller *What every man knows about women*. A raffle prize was won at the end of the evening by Mary Elias from Blacktown TAFE. A most entertaining evening, with people coming from Newcastle TAFE to attend. The Committee intends to hold four functions in 1995 and proposes to

make all of them worthwhile and exciting to all TAFE librarians.

If you would like to become part of this exciting group or know what we are doing in 1995, why don't you join ALIA and become a member of the TAFE section? Please contact Cathey Shepherd on (02) 830 13 72. ■

STOP PRESS

Update to the Update...

On page 10 we mentioned that the ALIA National Office were somewhat limited in the reception of e-mail. This problem is now solved.

If you wish to contact staff via e-mail, please address your message to individual staff members using the following address format: firstname.lastname@alia.org.au

If you wish to contact ALIA generally, send your message to enquiry@alia.org.au — if you wish to send material to *inCite* please address it to incite@alia.org.au

ALIA welcomes new members

We welcome the following new members who joined the Association in June and hope that they will speedily become involved in our activities.

Congratulations to those members who have uphraded their qualifications

Upgraded To Technician

Sue Huggins WA
