

ALIA

Fellowships

A Fellowship is one of the highest awards that ALIA can bestow on its members. To be nominated for a Fellowship, a member must have reached an exceptionally high standard of proficiency in library and information science and made a distinguished contribution to the theory or practice of library and information science. The nominee must have had at least eight years standing as an Associate or Library Technician member of the Association. Any two or more Professional or Library Technician members of the Association, or the Council of a Division, may nominate a member for this distinction.

There are presently 100 Fellows of the Association. Nominations for Fellowships may be submitted at any time. Should you have any questions about Fellowships or any of the Association awards please contact the National Office on phone (06) 285 1877, or via e-mail: enquiry@alia.org.au.

Vital link update
