Participants of the Lobby for libraries workshop held in Wagga Wagga, 21 May 1996

Lobbying in Wagga Wagga

ALIA executive director, Virginia Walsh, and the manager, member services, Carolyn Cherrett travelled to Wagga Wagga in May this year to present the *Lobby for libraries* workshop.

During the workshop Virginia outlined the skills

required to develop an advocacy campaign — identify and prioritise issues, target the influential decision-makers, anticipate the opposition, develop strategies to resolve issues, deliver your well-prepared message effectively and in writing, deal with politicians, staffers and

bureaucrats, establish partnerships, and harness community support.

The workshop was a huge success. All participants enjoyed meeting Virginia and Carolyn, and benefited greatly from the experience. ■

Charges for document supply to libraries outside New Zealand

Beginning 1 October 1996, the National Library of New Zealand will charge libraries outside New Zealand for the supply of photocopies and loans. This will bring the library's document supply charging into line with that of Australian libraries and will serve all other countries' libraries consistently.

Australia

The National Library of New Zealand is a member of ALIA, and participates in the ALIA voucher scheme. Australian libraries are charged the standard rate of one A\$9.00 voucher for a photocopy up to fifty pages, or for a loan. A\$3.00 is charged for every additional thirty pages of a photocopy. A\$27.00 in vouchers is charged for a Fast Track fax.

Great Britain and IFLA scheme countries

The National Library of New Zealand is a member of the IFLA voucher scheme. Both photocopies and loans incur the charge of one US\$8.00 voucher to participating libraries. Details of the scheme and a list of par-

ticipating libraries are available on the web site: <http://www.nlc-bnc.ca/>.

Countries not participating in a voucher scheme

An invoice for NZ\$12.00 will be raised for each filled request, whether photocopy or loan, supplied to non-participating libraries.

Other New Zealand libraries

Requests from overseas which cannot be satisfied from the National Library's collections will continue to be sent on to other holding libraries in New Zealand. Any resulting service will be organised and charged for according to the supplying library's policy.
