

A perfect setting for *Challenging ideas*

ALIA 2004 Biennial Conference, 21–24 September 2004,
Gold Coast Convention and Exhibition Centre, Queensland

This month we focus on the region which will play host to the ALIA 2004 Biennial Conference — the vibrant Gold Coast.

As one of Asia-Pacific's leading conference travel destinations, famous for its stunning beaches, sub-tropical rainforests and an incredible choice of entertainment, the Gold Coast is the perfect place for you to combine work and play. Plan a pre- or post-conference holiday — the list of attractions is endless — a warm year round climate, a safe and secure environment, friendly faces and exciting adventures are just the beginning!

Highlights include:

- seventy kilometres of uninterrupted coastline.
- the thrills of the big theme parks.
- a treasure trove of shopping to keep any 'shopaholic' happy.

- cafés and restaurants for every budget and taste.
- the breathtaking natural scenery and quiet bushland walking trails of the Gold Coast Hinterland.
- a variety of quality vineyards for wine lovers.

Delegates will also have the opportunity to experience the Gold Coast as part of the conference program. Planned activities include the official conference dinner at Dreamworld and a sunset barbeque on the beach at a local Surf Club.

Essentially, whatever is needed for a successful and enjoyable conference experience, the Gold Coast will provide with style and sunshine.
