Timor-Leste Library and Information Association established

In a move to further strengthen and improve co-ordination among the existing information service organisations, the Timor-Leste Library and Information Association (ABITL) has officially been established.

At the inaugural meeting in Dili in July 2004, twenty-eight people representing twenty-two information service organisations, namely from Dili, Baucau, Manatuto, Atauro and Lolotoe, met and formally approved ABITL's *Constitution* and elected a five member Board to develop and oversee the Association's activities. The elected board members are: Dr Venceslao Do Rego from UNTL; Cancio Pires from ONG Lorosae Baucau; Dr Palmira Pires, East Timor Development Agency; Jose Caetano Guterres, CAVR Archive Team; Margaretta Evy da Siva, from UNDIL.

The ABITL aims to improve the condition and services of existing and future libraries and information service organisations in Timor-Leste as it considers them to be fundamental resources to quality education.

'The establishment of ABITL is an important step forward in addressing the challenges we face in education in Timor-Leste today, especially in the area of library and information. ABITL aims to focus on training and building the capacity of Timorese working in this field to enable them to provide good quality and professional services to the general community' stated Mr Venceslao do Rego, general co-ordinator of the ABITL Board. ■
