

5 good reasons to own the deep archive from SAGE

Content ownership is becoming increasingly important in hard budgetary times. Investing in the **SAGE Deep Backfile Package** means owning access to over **445** SAGE journals backfiles that are interdisciplinary, including high-impact content published on behalf of hundreds of renowned, scholarly and professional societies.

1

Breadth

SAGE has collected more than 535,000 articles, and over 5.8 million pages of historical content covering subjects in business, humanities, social science, and science, technology and medicine.

2

Depth

With content spanning over a century of research, from volume 1, issue 1, through the last issue of 1998, you will own content spanning over a century of research. Our oldest article is from 1879 in *Perspectives in Public Health*.

3

Quality

We pride ourselves on high-quality content. 70% of the journals in the entire **SAGE Deep Backfile Package** are ranked in the 2012 Thomson Reuters Journal Citation Reports®.

4

Award-winning **SAGE Journals** platform

Content is easy to find on **SAGE Journals (SJ)**, hosted on the prestigious HighWire Press platform. **SJ** was chosen as Choice Magazine's Outstanding Academic Title (January 2011).

5

Pricing

We offer value for money, flexible backfile purchase and lease options to accommodate library budgets of all sizes.
