ALIA **TRAINING 2014**

ALIA offers a full program of courses and workshops designed to support the professional development needs and interests of our members. Topics to be presented in 2014 include:

• MOOCs

• Digital repositories (back by popular demand)

• Storytelling

• Website design and development

Remember, if you are enrolled in the ALIA PD Scheme, any ALIA Training course or workshop you undertake also counts towards your annual professional development points target.

Most ALIA Training courses and workshops are open to both members and non-members of ALIA. (For more information on the ALIA PD Scheme, visit the ALIA website.)
