

ALIA NEWS

25 YEARS AND CELEBRATING!

To support and recognise our long term members, in 2014 we are pleased to introduce the ALIA Member 25 Year Club. This program honours members who have been involved and supported ALIA with 25 or more years' membership. There will be events held across the country throughout the year so stay tuned for more.

The first members to be recognised for their 25 year membership will be in the ACT, at the Annual General Meeting on 21 May at ALIA House. Everyone who can attend is welcome to join this special celebration and, of course, to attend the Annual General Meeting. For full details, visit www.alia.org.au/agm.

NEW LEARNING SERVICES COORDINATOR

ALIA House has welcomed a new member to the ALIA Team in Anne Newton. Anne will be working part time as the new Learning Service Coordinator and comes to the role fresh from working on a casual basis with both the ACT Library Service and the University of Canberra. She has also worked with the Defence Library Service in Wagga Wagga (with, apparently, frequent sounds of gunfire in the background) and in the libraries at Macquarie University, University of Queensland and Central Queensland University.

JOIN ALIA DAY

In the month we traditionally celebrate all things library, this year ALIA is asking for your help to bring the benefits of ALIA membership to your colleagues. Most of our members say they would recommend membership to a colleague, and now there's an opportunity to be rewarded with a gift card for helping to spread the word. Join ALIA Day will be held on Friday 23 May. For full details visit www.alia.org.au/ALIAambassador.

ALIA TRAINING

Brought to you by the industry's peak body, ALIA Training offers a range of high quality professional development courses and workshops in partnership with industry educators and professional trainers; delivered through face to face workshops and online. Most courses are open to members and non-members of ALIA.

All courses and workshops can be counted towards the ALIA PD Scheme.
