A full day PD event for all library workers in Western Australia, modelled on ALIA Queensland's Mini-Conference.

Contact: Matthias Liffers m@tthi.as

SEE YOUR LIW EVENT ON OUR WEBSITE AND IN INCITE!

LIBRARY AND INFORMATION WEEK

Library and Information Week 2014, themed 'Join the Dots', was a fantastic success. We are looking forward to sharing the wrap up with you on our LIW webpage and in the next *INCITE*. In the meantime, if you haven't sent in your pictures or videos of the week please email events@alia.org.au.

NATIONAL SIMULTANEOUS STORYTIME

National Simultaneous Storytime 2014, featuring *Too Many Elephants in This House*, was shared by an enormous number of participants and received wonderful feedback. There were many events put on around the country, including a radio reading of the book in rural South Australia, readings with NRL teams in different states, and a reading with Mrs Margie Abbott. Keep a look out in the next *INCITE* and on the NSS webpage for our wrap up. If you haven't sent in your pictures or videos of the day we'd love to see them – please email events@alia.org.au.

INCITE

SEPTEMBER 2014

TOGETHER WE ARE STRONGER

In the month of our 2014 National Conference, *INCITE* will be celebrating the good news of collaborations big and small. Libraries have collaborated with each other, with business and with government to innovate and deliver above and beyond expectations over the years, while ALIA is itself an example of how a unified voice can gain access and support for our profession.

Do you have a tale to tell of successful collaboration? Some hints on how to partner successfully outside the sector? Share your story with your fellow members through *INCITE*.

Plus this is our National Conference issue. Check out the latest on who's talking and what about – and get ready for an inspiring and busy time in Melbourne!

The deadline for contributions is 22 July 2014. Check the guidelines for contributions on the ALIA website and email your stories and images to incite@alia.org.au. Please note all images must be high resolution (at least 300dpi, 500KB or higher) and sent separately as jpg files. Images may be reproduced in print and online.
