

# INCITE JULY/AUGUST 2016

## BRIGHT IDEAS

The July/August issue of INCITE looks at the theme of ALIA National 2016 Conference – what's happening in Adelaide and why you need to be there

To be held in Adelaide from 29 August until 2 September, our national conference is an excellent way to learn from each other's experiences and network with the best.

The National Conference provides unparalleled opportunities to become stronger, as professionals and as an industry, with engaging programs and a forum to collaborate and build partnerships among our colleagues, peers, industry leaders and corporate partners. What

are the lessons you have learned from going to national conference and what can you share with others? Whether you were a volunteer student or a keynote speaker, there is important knowledge to share by writing an article for the next issue of INCITE.

The deadline for submissions is Thursday 9 June 2016. Check our guidelines for writers on the ALIA website and email your stories and images to [incite@alia.org.au](mailto:incite@alia.org.au). Please note that images must be high resolution (1Mb or larger) and be sent separately as jpg files. Images may be produced in print or online.
